

PAYMENT PLAN OPTIONS

Part-Time Student Deferred Payment Plans

Part-time students have the option of settling their account by enrolling in one of two deferred payment plans. These payment plans are administered by Boston University Student Accounting Services and enrollment is available online. For enrollment in either plan, an initial payment and a completed online promissory note are due by the semester payment deadline listed below. This initial payment includes any prior balance, 25 percent of the current semester tuition, a \$50 Deferred Payment Fee, as well as any additional semester fees. There are two options for completing payment of the deferred 75 percent. Options 1 and 2 have different payment schedules. Students are required to enroll in the payment plan for each semester that they want to participate. Enrollment is available online at Student Link (www.bu.edu/studentlink). Click on "Money Matters", then "Student Account Inquiry", and select the "Deferred Payment" option. Enrollment in the deferred payment plan must be completed by the semester payment deadline in order to avoid a late payment fee. Please contact Student Accounting Services at 617-353-2264 or visit their website at <http://www.bu.edu/studentaccountingservices/> for more information.
